---

### Professional Summary

Motivated and skilled Full Stack Java Developer (Fresher) with hands-on experience in developing secure, scalable web applications using Java, JS Servlets, Spring Boot, and React.js. Proficient in RESTful APIs, MVC architecture, and microservices design. Strong grasp of both frontend and backend technologies with a passion for clean, efficient code. Effective team collaborator and fast learner.

---

### Technical Skills

- **Frontend:** HTML5, CSS3, JavaScript, React.js, JSP, Bootstrap, Tailwind CSS
  - **Backend:** Java, Spring Boot, Spring MVC, Spring Security
  - **Database:** MySQL
  - **Tools & APIs:** RESTful APIs, Microservices, JPA/Hibernate, Git, GitHub, Postman
- 

### Projects

#### 1. Car Rental Management System

*Java, Spring Boot, React.js, MySQL, Spring Security, JWT*

- Developed full-stack system with secure login and role-based access (Admin/User)
- Integrated REST APIs for car search, filtering, and booking
- Used Spring Security + JWT for stateless authentication
- Admin dashboard for car, booking, and user management

#### 2. Spring Boot User Authentication System

*Java, Spring Boot, Spring Security, MySQL, JPA*

- Implemented login, registration, and role-based access using Spring MVC architecture
- Integrated password encryption and session handling
- Built secure and RESTful microservices for authentication

### 3. Weather Application

*React.js, (Open Weather-Map) API, Axios, CSS3*

- Created responsive UI with real-time weather data
- Implemented autocomplete city search and dynamic weather visuals
- Used modern React hooks and error handling

### 4. Student Management CRUD App (Mini Project)

*Java, JSP, Servlets, MySQL*

- Built a basic MVC-based CRUD application for managing student records
- Used JS Servlets and JSP for backend and UI logic
- Implemented form validations and database integration using JDBC

---

## Education

### Bachelor of Commerce in Computer Applications (B.C.C.A)

*Rashtrasant Tukadoji Maharaj Nagpur University (RTMNU)*

*Note: This is an IT-focused program covering Java, Web Development, and DBMS*

12th (HSC): Pandharibapu Deshmukh Arts & Science College, Mahagaon

10th (SSC): Baburao Madavi School, Deori

---

## Certifications

- Full Stack Java Development – SEED Infotech, Pune

---

## Personal Details

- **Date of Birth:** 11-Nov-2000
- **Languages:** Marathi, Hindi, English
- **Hobbies:** Playing Volleyball, Music, Dancing
